

# 2<sup>nd</sup> ANNUAL ICA BEEFMEETS

For the 2<sup>nd</sup> year, the Iowa Cattlemen's Association is making it easier for cattlemen from across the state to participate in one or all of our regional BeefMeets.

Each BeefMeet will incorporate 5-6 educational seminars, district meetings and elections, grassroots issues surfacing and a trade show. No matter what your interest is in ICA or beef industry, there will be something there for you! Each of the educational sessions will provide practical strategies for producers of all types to increase their profitability and farming success.
